THESE ARE MY DIRECTIONS: (1.25-1.5 hour)

Take any local road north to Major Mackenzie. Turn west to HWY 404 and go north to Mullock Exit (Newmarket). Go West till Bathurst (end). Turn north (right) till HWY #9 (a.k.a Davis Drive) and turn west till HWY #400.

Off of HWY 400, exit at Dunlop (east). Turn left at the second set of lights (Anne Street), go north to Letitia Street, turn left and follow till you come to a STOP at Leacock Drive. Turn right. Lampman Lane is going to be on your left immediately after a small strip mall. The driveway closest to diamond is in front of tennis courts, just before sign and centre (arena?).
